Sizes: 2X-5X
\$38.99
SALE \$29.95

Most of today's camo's offer their design on a dark background, causing a blobbing effect at distances as close as twenty yards. The Snake Skin Illusions approach isn't to try to look like the surrounding vegetation, rather it creates a disappearing effect.

•A hard soled bottom combined with 4 layers of vulcanized rubber provides excellent protection from reef and other underwater structures while remaining lightweight and comfortable fitting.

Sizes: 11,12,13,14, 15,16
\$44.50

Benefits:

- Protects you from sea urchins and underwater structure
- Lightweight for less fatigue while wading
- Full protection from the knee down
- Ideal for use with or without waders

Features:

- Durable construction, featuring interlocking layers of vulcanized rubber providing the entire foot area with maximum protection
- Wrap-around shield provides the calf area with added protection
- Heavy-duty YKK zipper, nylon straps, and Velcro strap for the custom fit
- Neoprene inner lining and gusset for comfort
- Most importantly the boot eases your mind so you can truly enjoy the outdoor experience instead of worrying about sting rays.

Sizes 11, 12, 13, 14, 15,16
\$119.95

Features:

- Great for the beach, boat deck or surf wading where urchins are not as likely
- Plenty of room in the instep for max comfort
- Neoprene inner gusset for comfort
- Lightweight and Stylish
- Heavy Duty YKK zipper
- Hard Sole Bottom

Designed for the coastal angler who prefers a lighter weight boot, or for those who like site casting from the deck of the boat. A hard sole bottom combined with a layer of vulcanized rubber provides moderate protection from sharp rocks and coral while remaining very lightweight and comfortable.

Sizes 11, 12, 13, 14,15 **\$39.95**
